

Friends of the Falling Waters Trail

Membership Form

The Falling Waters Trail is a major east-west component of the Jackson County Regional Trail plan, connecting Cascades, Ella Sharp, Lime Lake and Swains Lake parks in south-central Michigan's Jackson County with the city of Jackson. The Trail has been dedicated as a Jackson County Park.

The mission of the Friends of the Falling Waters Trail, a 501c3 nonprofit organization, is to raise funds and public awareness for the development and improvement of the Falling Waters Trail County Park. We can only do this with your generous gifts.
